Please make sure you have water and bug spray. If your vessel capsizes or swamps, it will continue to float. Hold on to the vessel as you make your way to shore.

**PRIMITIVE/ROAD/BIKE PATH WALKS:** Primitive walk areas and paved paths have limited access to bathrooms. Make sure every morning you review the scheduled bathroom breaks. Please advise your group leader if you need assistance or transportation to the next camp site. Walking, sometimes up or down slopes, primitive nature trails and, at times, sidewalks and terrain may be uneven. A pedestrian shall obey applicable traffic laws. Where sidewalks are provided and to the extent possible, no pedestrian shall walk along and upon the portion of a roadway paved for vehicular traffic. Where sidewalks are not provided, any pedestrian walking along and upon a highway shall, when practicable, walk only on the shoulder on the left side of the roadway in relation to the pedestrian's direction of travel, facing traffic approaching from the opposite direction.

**SUGGESTED SUPPLIES:** Water, snack, rain gear, **sun hat**, first aid kit with bandages, antibiotic cream, mole skin and items you need for your personal health and safety, insect repellent, sunscreen, sunglasses, small flashlight, optional personal items such as a camera, prayer book, rosary. Wear two layers of socks—a good hiking sock on the outside, and a thin polypropylene or silk/nylon sock on the inside. Instead of rubbing against your skin, the socks will rub against each other. Avoid cotton socks. When they get damp, they abrade your feet. If you do feel a hot spot or a blister coming on, treat it immediately. Cover it with a piece of moleskin (found in the foot care section of most drugstores) and apply a small piece of duct tape over the moleskin to keep it water- and sweat-proof. Central Florida is known as the lightning capital of the world. If you are caught out in the open during a storm, attempt to reach cover as quickly as possible.

**REQUIRED SUPPLIES:** Tents and sleeping/bedding gear or other overnight gear (e.g. RVs)

**BAGGAGE/GEAR:** A vehicle will transport overnight gear/clothing to next site. Upon arriving please make sure all your gear is marked. Gear should be in some form of waterproof container/bag. Each day pack your gear and make sure the identification tag is still attached; place it in your assigned transport vehicle.

**NOT INCLUDED:** Mass stipends and all other items of a personal nature.

**RESPONSIBILITY & LIABILITY:** Participant agrees to sign additional waivers that may be required.
